DAVID FUTTER TALKS ABOUT GENTLEWAVE

“The veteran of the squad, Gentlewave, is turning 23 this year, but watching him skip down to the covering shed, he certainly defies his age! Although he has never covered large books of mares by today’s standards, he boasts an outstanding record of producing horses and winners at the highest level. He is also proving to be an exceptional dam sire, with one stand-out being the multiple Grade 1 winner, Lossiemouth.”
